

**Great American Cleanup
Of York County
March 2010**

Dear Adopt A Block Participant:

The Town of Clover and York County invites you to participate in York County's Great American Cleanup during the month of March. This program is for all residents, schools, churches and businesses in York County. During March, local municipalities will work with volunteers to organize cleanups all over York County, and we want you to be a part of it! This collection will also count toward your Adopt A Block commitment.

Included in this mailing is a sign-up sheet. Get a group together and participate! It's fun and also helps your community. **Please share this information with other individuals or groups who might be interested.**

Trash bags and work gloves will be provided to help in your cleanups. Safety vests and a limited supply of litter grabbers are available for groups to borrow for their cleanup. Materials are on a first come/first serve basis. We also have a limited numbers of Great American Cleanup banners or posters you can put up at your event to publicize your cleanup. In addition, each group will receive two free York County Great American Cleanup T-shirts while supplies last.

All materials will be available for pick up on Saturday, March 13 during the compost bin and rain barrel truckload sale (see brochure) at Knights Stadium in Ft Mill. Materials are also available at Clover Town Hall.

If your group would like to participate, please return your sign up form to Clover Town Hall or to fax 222-6955. Thanks for caring about York County. Together we can keep our community clean!

Sincerely,

Barbara Clinton
